Steve/ Henry - Attached is a proposed update to the EPA fact-sheet on NWIRP/ Northrop-Grumman, Bethpage. If there's anything that you think should be changed, please let me know at your earliest convenience. After you've had the chance to review it, I plan to send it to the Navy, Northrop-Grumman, and the Water Districts as a courtesy before it goes onto the website.

Also, fyi, the updated contact information is already on the website.

Thanks and have a happy new year,

-Carol-
